### Introducing Forest School to York Road

We're all excited about the zoo on Friday 19th May. Remember the nursery will be closed that day, so if your child is not going to the zoo, please keep them at home.

Further details to follow next week.

#### Diary Dates

26th May Half Term

5th June Back to School

#### Firm Foundations/Literacy & Phonics talk.

You do need to attend the talk if you want your child to take part in the firm foundations home/school pack activities. If you have a problem please see Ruth Cotterill (Yellow Area) and we will try to sort it out.

Thank you

**Laura and Sally two of our LSAs have been on a 'Forest School' course. They have come back with lots of amazing ideas for outdoor play. We plan to have a forest school type day regularly every other Friday starting soon. We will be outside all day in all weathers.**

**Your children will need to bring in some spare clothes, wellies, water-proofs appropriate for the weather. The children will get messy.**

At this age all our children are beginning to become inquisitive about their bodies. At York Road we are teaching them that some areas of their bodies covered by underclothing are private parts and not to be shown to everyone. Appropriate behavior of this nature is tricky to get across to such small children and we would appreciate your help to reinforce our message.

### Important Notice!

#### Milk is good for you!

Milk is available free for all children under 5 as a result of European Community subsidy. If your child does not like milk, water is always available.

#### Junk modelling.

Can we ask you to bring in small boxes, tubes, yoghurt pots, anything for creating masterpieces with. No egg boxes or containers that held nuts please.

#### Parking

Please do not park on the zig-zags outside
