If your child has a bump to their head during their time at York Road Nursery School or Yorkies

you will receive a call from a member of staff to notify you this has happened. Please do not be alarmed, this is purely a safety procedure to inform you.

In the Summer Term we have arranged for the children to share reading books with year 5 pupils from Wilshere Dacre School. This will happen every Thursday.

As well as promoting positive attitudes to reading, this will give our children lots of opportunities to share and interact with older attentive and enthusiastic readers.

As we did at Christmas, we will be sending home a Spring Holiday magic moments sheet.

Add a photo and comment about your child's holiday experiences and return them with your children on the first day back.
