AUTISM AWARENESS WEEK

Dear Parents and Carers, our last week of this term will be a fun, rewarding and busy one. It is World Autism Week and the week before Easter! We would like to invite you to join us in raising awareness of Autism amongst the children, staff, visitors and you as families.

1 in 100

people in this country have Autism and it can have a big impact on family life.

On Monday 26th March the staff and children are going to do a sponsored run on the Wilshere Dacre field next door to us.

The morning children will participate from 9.15-10.15 and the afternoon activities are from 1.30-2.30. Please come along to offer your support or even to take part!

The money we raise will go towards purchasing a new trampoline for our garden - this daily experience for children and adults with Autism can help them to feel 'balanced' and calm and

better prepared for learning.

We hope to set up a just giving page for you and your family to make donations easily - more info to follow..

As part of our Easter Celebrations we hope to be hunting for chocolate eggs. Please bring in a small, wrapped chocolate eggs for the children to collect in their baskets. If your child has any allergies: **PLEASE** talk to your child's key teacher, and could you bring in an appropriate egg for your child to hunt. Please bring them to the office before Monday 23rd March. Thank you!

IMPORTANT NOTICE:

Parents, Carers, & Visitors. Please **do not** let anyone else in when you are entering or leaving the building.

Doing this may seem like a kind gesture but is a huge **safeguarding risk to all our children.**

Please close the door straight after you, and let the next person press the intercom!

Thank you Diane Frainer.
