Safeguarding

We advise that adults do not enter the toilets. If your child needs help please ask a member of staff to help them. Keeping your child safe is our utmost priority.

Absences

Please remember all absences will be recorded for your child as **UNAUTHORISED** unless your child is unwell, there is a new baby in the family or there has been a bereavement.

Voluntary School Fund

We do not have a PTA and rely on monies donated by parents for extra resources, materials or experiences for the children. We do appreciate a regular half termly contribution of £5.00.

Important Notice!

PHOTOS

If you would like a family/group photo please come to the garden room outside between 8.30 and 9.15am or 3.15 to 3.45pm.

SPARE CLOTHES

If you have any spare warm winter clothes please could you bring them in for the children. Children have accidents and these clothes come in useful. Alternatively it would be a good idea to have spare clothes in your child's bag. Also any shoes or wellies.

Thread Worms and Head Lice

If you notice your child scratching their bottom or head excessively, seek medical advice for treatment.

**NO MOBILE PHONES
INDOORS!!**

TAPESTRY

If you have any problems or queries regarding Tapestry please email,

Fri 29th September

If you are filling your smartie tube, please could you return them to the school office by Friday 29th September. We will let you know how much we have collected and which computers we will be

buying
to assist
your
child's
learning.

Safety Button

Please do not encourage your child to press the Green Safety Button on the internal entry door.

Please be patient when accessing the nursery. We have the top lock on the first entrance door which we will have to release to let you in.

Naming Clothes.

Please could you remember to put your child's name on coats and clothes. We find several children have similar coats and these are easily misplaced if not named. Along with jumpers and cardigans.

Hello
my name is

If your child has a bumped head while at nursery, you will receive a call from a member of staff, this is standard practice regarding a head injury. However it is your choice whether you wish to take your child home, or keep them at nursery. You will receive a slip about any injuries sustained at nursery, if your child has had one. Please remember to take them home at pick up time, they should be with your child's possessions.
