There is a box in the entrance hall. Thank you

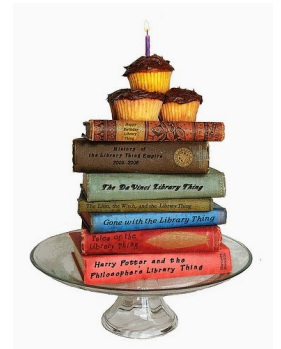

Junk Modelling

This group time cycle we are making amazing things out of junk modelling materials. Can we ask you to bring in boxes, tubes, yoghurt pots, anything for creating masterpieces with! No egg boxes or containers that held anything with nuts in please—we have children with allergies.

Birthday Books

To celebrate your child's birthday you may wish to buy a book for our library. We have lots of excellent books, but not many that are newly published or that have multicultural or special needs inclusive theme, these are the books we'd like! There is a list of titles in the library. We will put a Birthday label inside the book you donate and add to our 'Birthday book basket.'

Important Notice!

Milk is good for you!

Milk is available free for all children under 5 as a result of European Community subsidy. If your child does not like milk, water is always available.

Consultations

Please remember to put your name down for a consultation with your child's teacher. You will find a list outside your child's classroom.
