Ebony our new dog

Ebony has settled well to Nursery School life and has spent the last few days getting to know everyone and get used to the new smells and sounds. Ebony will usually be at York Road on Wednesdays, Thursdays and Fridays. She is already having a therapeutic effect on some of our children (and the staff!) and the children enjoy helping by feeding her, getting her water and giving her strokes and cuddles.

The next plan is for some lead walking around the Garden!

REMINDER

Parents who pick up at various times please be aware that teaching is in progress throughout the school. Collect your child with a view to minimalising disruption. Many Thanks

Transition Groups

School story groups will be starting soon. The children will be grouped together according to the school they are going to in September. They will be learning each others names. Looking at uniforms and transition books and having stories about going to school.

We will also be putting up the photos of the children in their school groups. We will let you know when they go up. You can show your child and discuss their new school with them.
