Open Morning: Saturday 25th February. 9.30 11.30am

Dear Parents and Carers, we would like to have a 'Friends of York Road' Fundraising group. We are in real need of more fundraising opportunities and need to raise money particularly for our garden. This would involve a small group of parents/carers meeting every now and again (once a month perhaps?) and working on small or large projects to fundraise for the school. If you are interested please can you email permjinder.lidder@yorkroad.herts.sch.uk and Permjinder will collate your email addresses and create an email group where you can then communicate with each other. Please let us know if you are interested! Many thanks, Diane Frainer, Headteacher.

Open Morning.

Parents of children born between 1st September 13 and 31st August 14 should have received their Nursery application information from County. We are holding an open morning on Saturday 25th February between 9.30 and 11.30. Parents and children will be able to have a taster experience of our Nursery. Staff will be on hand to answer any questions as well as Governors and Management Committee Members.

I'm sure you have family/ friends with younger children, could you please spread the word. You will find information on:

Back to School
20th Feb

We have enjoyed having the rabbits at nursery and they have been a lot of fun even though on some 'Home Visits' they have made 'bad choices'.

Sadly we have decided to say Goodbye to them on Friday 10th February, due to the cost and commitment of caring properly for them. We are sorry to the children who were expecting to take them home soon. We still have the snails if you want a pet for the weekend they are very well behaved.

The rabbits are going to be well cared for by a member of the team who is experienced with rabbits, who will give the children regular updates about how they are getting on.

Can you come in and talk....

The first week after half term we will be talking with your children about people who help us. E.g. gardeners, police, fireman, nurses, care workers etc..

If you have a job hobby or interest that you think comes under the term 'People who help us'. Please speak to your child's Key Teacher to arrange a suitable time to speak to a group of children in the next half-term.
