Wellies

Lots of mud in the garden at the

moment. Your children need

wellies and a pair of shoes to change in- to for back indoors.

Garage/Petrol

Station

We are going to be making a petrol/garage station in the garden for the children to use with the cars. In order to do this, we would appreciate donations of plastic tools such as

hammers, screwdrivers, pliers, adjustable spanners and saws. If anyone has an old foot pump or unused petrol cans we would like them too. Thank you
