Milk is good for you!

Milk is available free for all children under 5 as a result of European Community subsidy. If your child does

not like milk, we will provide water. Please just water in the water bottles not juice.

Please see attachment for ideas for snacks.

We also have scooter parks next to the buggy park, please use these for scooters and the buggy park for buggies.

Thank you

We need your help.....

After half-term we will be talking to your children about 'people who help us'. E.g. Gardeners, firefighters, healthcare workers etc.

We would like to involve parents, Grand-parents, Aunts, Uncles...

If you have a hobby or job, that you think would be of interest to the children and be relevant to this topic and can spare a little time to come and talk to small children, we really would appreciate this.

Please speak to your child's/ children's key teacher and they will arrange a suitable time for you to come and share your knowledge.

Community Helpers

Thank you

All the staff at York Road

really appreciate the parental support you give us - It helps for an amazing learning environment for your children.

PHONIC CORNER

We are exploring things that start with the same sound. How many things can your child find that begin with 't'?
