Please remember to send a piece of fruit in with your child for snack time each day, for sharing preferably. If your child is not keen on fruit why not try cucumber sticks or carrot, red pepper or celery? and please could you cut grapes in half, as they can be a choking hazard. Please could containers be named if you send fruit in them.

## Clean up Sunday at the Nursery

If you can spare some time between 10.00am and 1.00pm this Sunday 14th October to help with painting, tidying and general maintenance we would love to see you.

Drinks and snacks will be provided.

Due to this being a maintenance day we would advise that children do not attend.

### PHONICS CORNER

Sit with your child without making a noise for a whole minute. What sound did you hear? Talk about them. Can you and your child make similar noises with your voices?

### NEWSTIME

Please could your child only bring their special toys on a Monday for news time where they can share them with their peers.
