If you 'like' or comment on the post, your key teachers will endeavor to reply and help extend your child's learning. We also have a Facebook page with activities, tips and events. Your feedback from last week:

Children really enjoyed receiving the letters from teachers, we had some lovely replies. Paul's songs 'were very funny!' parents and children commented. We had some general positive comments about the remote learning offered this past half term. We are already hearing what a busy time families had over the break. We are very much looking forward to the visits over the next two weeks as we work towards opening fully.
