

24th March 2021.

Dear Parents and Carers, when your child comes back to school after the Easter holidays there will be some building works taking place. We will be having new lighting put in and ceilings raised to provide more air, light and space for the children and the staff. This is of course a very positive thing and like all everything that is worth waiting for there will be a few adjustments along the way.

We will be starting with Silver group, Pink group and Purple group temporarily being in a different space.

If we or you feel that this may be unsettling for your child- then please do speak to your child's teacher if they have not already contacted you. For a few children, visual support such as photos of the new area may help them with this.

I hope that this letter provides adequate information, so you know about any changes to the usual routine.

Please see guidance below:

Week:	Pink group Drop off at 9am	Purple group drop off at 9am	Silver group Drop off at 9 am	Anyone in YELLOW, RED, GREEN, BLUE, ORANGE, SILVER, PINK, PURPLE, group that is picked up at 12pm	RAINBOWS 3.30pm Pick up
