Warmer weather

As the weather improves, please make sure your child has a hat, water bottle and apply sun cream before they start school. For those children attending Yorkies or Rainbows

30hours, please bring in a named bottle/tube of sun cream that your child can keep in school for afternoon reapplication.

Diary Dates

Last Day of Term 27th May

Inset day 28th May
Yorkies closed

Easter Hunt

We finally got to do our Easter egg hunt last week! Thank you so much for all the donations of little eggs. The children had a lot of fun hunting for them in the garden and testing their

baskets in the process.

Due to the current social restrictions we thought it would be beneficial to parents to meet via Zoom other parents whose children are going to be attending the same school. Now that you have all been allocated a school place for your child, we will be setting up Zoom meetings in school groups for you to access if you want to. This will give you an early opportunity to share and arrange playdates, get to know each other and share information with each other. We will send you out the dates and times of the meetings shortly.

PHONICS CORNER

Phonics corner - identifying the first sound in a word. A traditional game of 'I Spy' is always fun.

We have now arranged for Ark Farm to visit our Nursery on **Thursday 20th May.**

Garden Development

We are trying to raise money for our Nursery garden. If you can help to organize a virtual fundraiser, please let us know.

Voluntary School Fund

We do appreciate a regular half termly contribution of £7.00.

You can now make a contribution on our School Gateway app.

PARKING

Please do not park on the zig-zags outside nursery.

Inset Day 28th May

Mini-Beasts

The children have been so engaged with our minibeast theme this planning cycle - see if your child can spot any creatures when out and about with you.

We hope all the children who joined us for the Easter Holiday Club at Yorkies had a cracking time! We got stuck into lots of Easter arts and crafts, making sock bunnies, painting with carrots and egg rolling painting. Then we explored the Spring & Easter sensory trays each day and best of all enjoyed being out in the sun and playing with our friends.

For more pictures and to stay up to date with our Holiday Club fun, please visit us on Facebook (**Yorkies Daycare**) and Like our page.

The returning children have all settled back well into Preschool life and have enjoyed planting some cress seeds which they have been looking after at preschool.

The children have now taken their seeds home, thank you to the parents for helping to continue looking after the seeds at home.

A big hello to all the new children and their parents who have started with us this week and we look forward to welcoming more new children and parents over the next few weeks.

As the weather changes for the better we are hoping to spend more time outside and have more messy play activities, if you could please dress your children in clothes that you do not mind getting messy, that would be great.

Staff member leaving

Niki's last day was Friday. The whole school will miss her and wishes her well! She will continue to be part of our community with dance club and help with our website.

Parent Consultations

Consultations begin next week. Please sign up with your key teacher of a zoom or telephone meeting about your child's learning.

We will be looking at 'Arabella and her friends at the seaside'. The story is about 'Appreciation' We will be talking in class about 'Appreciation' with the children.

Challenge at home; As a family think of an 'appreciation' every day and talk about your appreciations and why you have chosen them.
