Lunchtimes

We are noticing some children that bring lunch in, are bringing in cakes, biscuits and chocolates, some children are still bringing in strawberry yoghurts. Please could we all be mindful. We have a few children with severe food allergies.

It is our policy that children do not bring in these foods. Please can we try and adopt a healthy lunch box. I am enclosing the lunch policy for you, to give you some ideas.

Spare Joggers

If you have any spare track suit bottoms your child have outgrown, they would be very welcome as we have children we need to change due to accidents and they become very useful for changing into.

Dear Parents & Carers, to support our ethos of using re-used materials and trying to use less plastic, we would be very grateful if you could donate any of the following:

Metal sieves - great for the sand pit

Clean empty ketchup bottle- fab for squeezing paint for mark making!

Metal saucepans - for outdoor drums

non-sharp butter knives and garlic pressers - for playdough and clay tools and hand whisks, wooden spatulas - for tools

real spades for the sand pit and the mud kitchen- not plastic please

JUST IMAGINE IF YOU ALL BRING IN 1 OR 2 ITEMS, WE WILL HAVE ENOUGH FOR EVERYONE!!

Thank you

All the staff at nursery really appreciate the support you are showing to us with coping with the building works - there are not many children that will have a Marquee as a memory from their nursery.

Last week we had Peekaboo photography visit on Tuesday and Wednesday. All the children that were present had an outdoor picture taken. We are hoping we shall receive the sample copies after half term. You will receive these and you can follow the instructions to order them online.

Jam Jars

Please could you bring in any empty jam jars, and hand them to your child's key worker.

GRAPES

If you send your child in with grapes. Please could you ensure they are cut in half.

Ark Farm Visit

All the children really enjoyed the visit from Ark Farm.

The new children are settling in well as they explore their new setting and the activities we have to offer, painting, sticking, role play, playing with the small world models such as the trains. The children have really enjoyed playing outside and taking part in the water and sand play, as well as having a go on the trikes.

Over half term we were hoping that if you go for a walk would you please collect some pebbles and leaves for us to use within the preschool.

If you have any flowers in your garden or a family members garden and you could spare some, we would be really grateful if you could pick some flowers, press the flower between something heavy and bring in your flattened flower heads when we return week commencing 7th June.

MYHappyMind.

.....We hope you have enjoyed sharing 'family appreciations,' this month. Your children have been keen to share theirs with us at nursery - 'Digging in the sand, My Mummy, My party, finding worms, our butterflies.....' to mention a few of the appreciations they have come up with. Please continue over the half-term with this and we will have a new suggestion from 'MyHappyMind' next term.
