Phonics Corner

Here's something to try.. make a collection of Autumn things with your child. What noises can be made with them? E.g Scrunchy leaves, conker acorn shakers, scratchy conker cases using sticks to tap out a beat.

Welcome back to our existing parents and children and a big hello to all our new starters. In preschool we are looking forward to working alongside all your children and support them to fulfill their potential. We are looking forward to making lots of happy and fun moments as we guide them on their way to becoming independent learners.
