Forest School for Pre-school

Debbie (Forest School Leader), Lisa and the pre-school team would like to take the pre-school children to the woods on Wednesday 8th December during their pre-school session. The children will have the opportunity to explore the woods and enjoy some hot chocolate and a biscuit. Please make sure your child is wrapped up warm with a hat, gloves and wellies. We will need some extra help so if anyone is able to help out please let Lisa know. Unfortunately, if we are unable to get enough help the visit will not be able to take place.

Our Children in need day was a success!!! The children took part in an afternoon of activities in support of Children in need. We supported them to design their own Pudsey, eye patch, biscuits which they ate and they all joined in to design a big cut out Pudsey. The Children were very engaged and enjoyed their afternoon of fun!! Please check out Tapestry for photos and videos of your child.

We are delighted to share our Preschool great new look in supporting our Curiosity approach!!! Over the last few weeks our Preschool was given a new look with the support of our new lead Lisa and team. We are now using more natural materials that are environmentally friendly for our learning resources. The children like the new resources and are really engaged with their play. Take a look on Tapestry to see our new look!!!

Lastly we will like to ask parents of Preschoolers if they can kindly contribute boxes, cardboard etc that are all recyclable as we are supporting the children back into junk modelling again. Thanks for your support.
