Forest school will be starting on Wednesday 2nd February. Further details will follow regarding the days your child will have a session. Please read attachment with this letter regarding details.

### Clubs

Clubs have started this week, the children have been really engaged and having fun with learning.

### Santas Grotto

The children enjoyed visiting Santa in his grotto in December.

We raised over £400 for the Garden development fund.

Thank you

### Diary Dates

11th Feb	Open Day
14th -18th	Half Term

All of our new children have now joined us and settled in very well.

We do have lots of children, please make sure all your child's nursery clothing and belongings are named clearly. Children become very upset if they lose them.

Please could you bring in some named wellie boots especially as children love playing in muddy puddles at this time of the year. Children also need them for the forest school visits.

For everyone's safety we ask that children do not ride scooters/bikes on the school premises. We do have a parking bay for them.

We would still advise that face masks are worn on the nursery premises.

### School Fund

We do appreciate a regular half termly contribution of £10.00 this can be paid on the Gateway app once registered.

Thank you
