### Forest School Sessions

Forest School is to begin shortly. Two groups at a time will be attending for a 4 week block, starting with the Ladybirds and Robins.

These sessions will start on Wednesday 2nd February and continue for 9th Feb, 23rd Feb and 9th March. Please ensure your child arrives at nursery ready for their FUN morning of Forest School with warm layered clothing, coat, hat and gloves. Labelled items would be useful!

Other groups will be informed of their dates nearer their time.

Spring term Wellbeing at York Road.

This half term we will be reading 'Arabella and her friends at the seaside'. with your children. This is a lovely story about Arabella appreciating a playdate with her friends. Through this story we will begin to talk to and help your children understand what Mummies and Daddies do for them, how it makes them feel, favorite things they like to do and what they are grateful for.

**What you can do at home** - You can chat with your child about things you enjoy doing with them, how it makes you feel, what you are grateful for. You can then encourage your child to talk about what they like, enjoy, how they feel and what they are grateful/thankful/enjoy/like - use words that your child will understand.

**As a family** - try thinking about daily gratefuls..

Most of all include spending just five minutes calm time together each day.

### Diary Dates

11th Feb	Open Day
14th -18th Feb	Half Term

### 'Alice in Wonder Land and Valentines Day'.

(Yorkies)

You can book the whole week, a morning or as many sessions as you would like.

The club runs from 8am-6pm.

To book email:

Welcome back to parents and children that were here with us last year and a pleasant welcome to our new starters and their parents. The year is off to a good start and most of our children have already settled in and getting really involved in their learning journey.

Good News!!! We have a new reading corner that the children are excited to explore. We are doing a project on chicks !!! This is in line with our new group name so that the children will know a little more about chicks e.g. where they come from, what they grow into, eat, sleep etc. We will need parents input to talk to your child about chicks, read to them and if possible get them to visit some chicks.

### General information.

Please name all your child's belongings, including water bottles and snack tubs. Lost property will be put out on the table as you come in through the side gate.

### Phonics Corner

Find some silly rhymes with your child - A fox in socks, a rabbit habbit (!) Potter like an Otter.. Bobbin like a Robin. Hedgehog? Squirrel? Owl? Ladybird?.

### Picking up Time

Please inform the school if you are running late for pick up. If we are not informed your child will be taken to Yorkie's and you will incur a charge.
