School Transition Day - Thursday 14th July

Nursery, Pre-School and Yorkies are closed.

Hopefully, you have all managed to look at the photos of the children going to the same school as your child. Please try and arrange get togethers in the parks to build up friendships during the summer holidays.

With the end of the term fast approaching and talk of going to big school increasing the children have been joining their new school story groups with the children moving up to the same school.

The children who are remaining with us in September have also been grouped together to ensure they get to share this experience. We will have a couple more story times before 14th July Transition day

Mindful Moment -

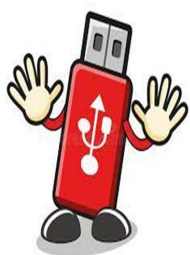

This is potentially a busy and stressful time for families. Please be kind to yourselves and enjoy the summer.

Spare Clothes

With the majority of children moving on to new schools in September and wearing new school uniform, please keep us in mind if you have a bag of clothes aged anywhere between 2-6 years that could help us with spare clothing in September when changes of clothes are at their highest.

Many thanks!
