14th July 2022

To all the volunteers and Helen and Lydia and all staff that made the 80th York Road Birthday celebrations amazing. It was a wonderful event that was enjoyed by all. We raised over £1000.

Hedgehogs and Rabbits were all very excited to 'bee' told we came first in the Bee Competition.

The judging took place on Tuesday and we were told we won the prize for creating;

*'A whole multi-sensory classroom environment and into the garden with their sunflowers'.*

*Rabbits and Hedgehogs wanted to make the classroom into a 'bee garden' and did this through various crafts, growing flowers from seed and caring for them, learning how to create our own bee gardens and learning and sharing facts and stories about bees. We were also fortunate to have a 'bee keeper' Nonno Georgio, come in to talk to all the children about his bees. We also made up our own bee song and 'waggle dance'.*

We all had a lot of fun learning about the role bees play and would like to say a 'BIG' Thank you to our families for the support they have given the children throughout the project. We are hoping our children will now have a lifelong love for our bee community.
