

Preschool And York Road Nursery

Newsletter

23rd February 2023

Newsletter Page 1 of 1

We were thrilled to see so many children arrive at nursery in their wacky dress ups. Thank you for the donations for the Fun fundraiser day. You helped us raise over £170 for climbing equipment for the Garden Project.

Voluntary School Fund

We would be very grateful (if you are able to) to donate £10.00 each half term towards extra bits we pay for such as art resources, cooking ingredients, etc.

Payment can be made via our Arbor app.

Diary Dates

- 2nd Mar World Book Day
- 20th Mar Baby Chicks coming

IT'S WORLD BOOK DAY!

World book Day is Thursday 2nd March. Please can your child bring in their favourite book (pencil their name in it) and, if they wish. They can dress up in their favourite book character. We will be sharing our books, parading with our books and costumes, and having lots of book related fun!

TESCO GRANT

We are pleased to announce that we have been awarded £1000 from the Tesco Community Grant Project! A huge thank you to Debbie our Forest School Leader who did this application for us. We have recently had a visit from a local landscape gardener to discuss plans for our outdoor learning space, so now we have an additional £1000 to spend!

We are hoping to be able to source some large logs to use for climbing and balancing (like we do in our Forest School sessions on real, large fallen trees), if any of you know how we might be able to source and pay for these can you let us know?

Sickness Bug

We have several children this week going home with sickness bugs. Please could you keep your child at home for 48 hours after their last sickness bout, this also includes diarrhea.

Welcome back to Pre-school! I hope everyone's half-terms were restful and fun. We have another busy term to look forward to with lots of exciting activities planned for the weeks ahead. Your children are enjoying being outside and digging in the soil and sand. To extend this activity we will be planting bulbs with them which they can tend to as they grow. A reminder we have received some lovely family photos for our board. Any more contributions for this would be great.

Quote from the 'Wildlife Trusts'

Sow a seed

Plant a herb, vegetable or wildflower and check back regularly to watch its progress.

PHONICS CORNER

Body Percussion -how many different sounds can you and your child make - eg, clapping hands, stamping feet, clicking tongue, flicking fingers.
