The Puppies came to visit on Tuesday. The children really enjoyed watching them and playing with them. Hattie, Nala, Pepper, Odin, Otis and Woody all had a fun day too!

### Warmer Weather

As the weather improves, please make sure your child has a hat, water bottle and apply sun cream before they start school. If your child attends Rainbows or Yorkies please could you send your child in with a named sun cream and hand to your child's key teacher so that they can all be kept in a central box, this will then be returned to you at the end of term for the summer holidays. This enables staff to reapply sun cream after lunch as they are going back out to the garden to play. We ask that they are given to key teachers and not left in bags due to skin allergies some children may suffer from.

Please do not send your child in crocs or open toed sandals. Children find these hard to climb and run around in.

### Diary Dates

Mon 29th May Half Term  
- 2nd June

Mon 5th June Inset Day -  
School closed  
Yorkies Open

- You will have received the photograph samples.
- All the instructions to view in the gallery and buy are on the form.
- We are happy to help should you require any assistance with this.

The children have been very excited this week as our caterpillars have now transformed into beautiful butterflies. Later this week we will be releasing them into the nursery garden and have the opportunity to watch them fly. Forest school was a great success last week. The next one will be taking place on Wednesday 7th June. Please let us know if you would be able to help us at this. Many thanks.

Quote from the 'Wildlife Trusts'

### Get into birdwatching

Spend half an hour watching birds in the play area, garden or park. See how many you can identify from their looks or songs.

### PHONICS CORNER

Share a rhyming story, Julia Donaldson writes good ones, or Hairy McClary books, but any will do. Can your child spot the words that rhyme or maybe add some of their own?
