Transition's

Reception teachers will be visiting York Road during June. Nursery staff will inform you if your child's teacher is visiting. It is a relaxed meeting and your child may share their family book with their new teacher and tell their teacher what they are looking forward to at school.

Diary Dates

Mon 29th May Half Term
- 2nd June

Mon 5th June Inset Day - School
closed
Yorkies Open

Writing and Marking

We have been creating new writing/mark making areas for outside and inside nursery. Can you have a look at home and see if you have any used stamps, envelopes (with any name blacked out), notebooks or old calendars you could donate. Bring them in and give them to your child's key teacher. Thank you!

We would like to inform you that we have changed our telephone system. You can press 1 to report an absence or 2 to speak to the office..

REMINDER

Please check the sign up sheet to read to your child's class. We would love to have a different parent in to read each week.

At present we have a lot of children off with Chicken pox. Please look out for spots. Please inform us, we are aware your child will be off for about 5 days. Please bring your child back when the spots have scabbed over and your child feels better.

SPONSORED WALK - Wednesday 14th June

The Pre-School children (and staff!) will be having a Sponsored Walk (around the bike track) to raise money for a new sand pit and wooded climbing frame.... please help support this by sponsoring a child. We will be aiming to do between 5-10 laps so a grand total per sponsor is probably easiest.

Payment can be made on the Arbor app under voluntary contributions
ref: Sponsored walk

It would be lovely if we could have some more family photos for our family board. Also, a small book with family photos for the children to look at and share with the group. These provide great talking points for the children and help to build their communication skills. A reminder: As the weather starts to improve, please can you pop a sunhat into your child's bag. Also, remember to apply sun cream before they arrive.
