If your child's photograph was taken last week at York Road. You should receive a sample of the photograph at the beginning of next week. On this you will find details of how to log in and view all the pictures taken in the gallery.

This term the children will be learning lots about the importance of Bees. This learning will close with an exciting Bee competition which is in its 3rd year now, so very much becoming a York Road tradition! The competition will take place on Thursday 6th July - details to follow nearer the time. In the meantime - teach your children at home just how important our bees are to us all.

The chicks are getting very big now and will be moving into Diane Frainer's chicken coop at home on Tuesday 16th May - we hope everyone has enjoyed them.

Diary Dates

Mon 29th May - Half Term
2nd June

Mon 5th June Inset day
School closed
Yorkies open

Next week, Ebony and her puppies will be visiting- hopefully on Tuesday the 16th ☺

We have a few cases of Chicken Pox - please keep an eye out.

The children really enjoyed the Ark Farm visit that took place on Tuesday. There was sheep, a donkey, goats and other small animals and a golden retriever. They had the opportunity to pet the animals and all the children were very careful and gentle as they did this.

As the weather has started to improve we are spending more time playing in the garden and water play.

Quote from the 'Wildlife Trusts'

Sow a seed

Plant a herb, vegetable or wildflower and check back regularly to watch it's progress.

PHONICS CORNER

Have a go at finding things that have 3 letters and 3 sounds (Consonant vowel Consonant CVC words) eg, Cup, tin, peg, dog, cat, pig, mat. Sound them out c u p . Sounds a bit like a robot!

The children really enjoyed seeing the animals on Tuesday. It was a lovely day, the children got to stroke and pet the animals and learn about their habits and character.

Thank you for all the voluntary donations, received. You can still make a donation of £8.00 on the arbor app.
