The children have been settling well into the Pre-School and are having fun renewing old friendships and making new ones. As from next week all children should be dropped off at the gate for them to walk down to Pre-School by themselves. This is great for their growing independence. Many thanks.

PLEASE FOLLOW ONE WAY SYSTEM

We have a one way system in place at York Road. If you enter the side gate and drop your child off or pick up, then please follow the route around and exit through the far gate near the mud kitchen. We are sure you will appreciate this is for the safety of our children.

MATHS CORNER

Go on a number hunt with your children, look out for numbers, on a bin, a house, anywhere they spot a number, taking photos of the numbers that they find and uploading these to tapestry.
