12th October 2023

Thanksgiving Assembly

Following our Thanksgiving Assembly on Monday this week, We talked to the children about being grateful, and helping others. We thought it would be a wonderful idea to donate some foods to the local homeless shelter.

If you could spare some dry food or food tins that would be lovely. We shall talk to the children and let them know why we are donating these goods. Please could you give any donations to a member of staff before next Tuesday 17th Oct Many thanks.

October is Black History Month and although here at York road we celebrate diversity in every sense of the word, we're celebrating Black History next week with the children.

Continuing with Black History Month, if you would like to share anything about your own family then we would love to hear about it and would invite you to share it with us via tapestry.

Diary Dates

23rd -27th Oct Half Term
Yorkies open

Mon 30th Oct Inset day. School
closed. Yorkies
open

SMARTIES

We are delighted to announce that we raised over £310 from our smartie tube collection. This will go towards a new whiteboard for the children to enjoy mark making on throughout the year. Thank you for your support!!

As the weather has turned warm again the children have been enjoying lots of water play outside. Play dough has also been very popular and is a great activity for developing fine motor skills. We have had some family books returned but it would be great to have one for every child. The children love looking at their family photos and sharing these with the group. Important: Please check your e-mails for your child's parent consultation details.

Phonics

Look out for any opportunities for your child to make writing marks shopping lists, postits, note books, old calendars, card to friends and family. Any marks are fine. Can they tell you what their writing means?
