Junk Modelling

Rabbits and Hedgehogs junk modelling box is running low on tissue sized boxes, bottle caps, milk tops, shiny stuff, ribbon, etc. If you could send some in we would be very grateful.

We require inner tubes from toilet rolls for an activity. If you could bring some in that would be great.

Please could you save and bring in your metal bottle tops and yoghurt pots/ and other small plastic pots.

Diary Dates

19th - 23rd Feb Half Term

Mon 26th Feb Inset Day
School Closed Yorkies Open

Chinese New Year

We will be talking to the children about Chinese new year on Mon 12th February. We will have various activities for the children to enjoy.

My maths challenge to you as a family is to look at the image and see if you can learn how to mark make for the numbers 1-10 in Chinese and a bigger challenge will be to see if you can count to 10 in another language (any language). Please do record your counting or take pictures of your mark making and upload them to tapestry!

Melissa
Maths Subject Lead

CHINESE NUMBERS: 1 TO 10

1: 一 yī	6: 六 liù
2: 二 èr	7: 七 qī
3: 三 sān	8: 八 bā
4: 四 sì	9: 九 jiǔ
5: 五 wǔ	10: 十 shí

MOSAlingua

The children have been enjoying testing their climbing skills on the tree trunks that have been installed in the nursery garden. They have demonstrated fantastic perseverance at working out how to get up on to them and then had fun jumping off. Lots of smiles all round! Next week the children will have the opportunity to try pancakes for Shrove Tuesday.

OPEN DAY AT YORK ROAD

Friday 9th Feb - 4.00 - 5.30pm

Please let family and Friends know.
