14th March 2024

### Sign of the week

Kind

We would appreciate volunteers to go to the woods with the Barn owl group. If you could help please speak to Sarah the keyworker in Barn owls. Thank you

### Diary Dates

Thurs 28th Mar Last day of term

Fri 29th Mar - Easter break  
15th April

Tues 16th April Back to school

The children have been enjoying nature this week: digging for worms in our mud kitchen area and using their maths language to describe the worms' different sizes, visiting the chick eggs which arrived this week and watching the wriggly tadpoles over in the nursery. We have been talking about life cycles and the children are excited for when the eggs start to hatch.

### Chicks

The children are enjoying watching the Chicks hatching, we have some amazing reactions from the children. You will be able to see the Chicks at pick up times, they are currently in the Squirrels room.

Friday 15th March

We will be supporting the charity Comic Relief on this day and invite the children to wear something red. If you wish to make a donation please make it directly to Comic Relief.. [Donate | Comic Relief](#)

### Easter Fun

As part of our Easter/Springtime learning walk (last week of term), we will be egg rolling, egg hunting, spring watching, basket making, having lots of fun. Can we ask you to bring in small foiled wrapped chocolate eggs for the egg hunt please? Also on Monday 25th March your child can bring in a boiled egg (or two in case of breakages) We will be decorating them for our egg rolling competition during that week.

### Note from the Headteacher:

Hello, there are still some people that are parking on the yellow double lines for drop off and pick up. Unless you or your child are disabled then this is not allowed. It creates a danger for all of our school community. If this continues then Highways will be informed to come and hand out parking fines.
