### **Get into birdwatching**

Spend half an hour watching birds in the play area, garden or park. See how many you can identify from their looks or songs.

### **PHONICS CORNER**

Share a rhyming story, Julia Donaldson writes good ones, or Hairy McClary books, but any will do. Can your child spot the words that rhyme or maybe add some of their own?

## York Road Photo Day

We had invited Davina a school pupil photographer to York Road this week. Due to predicted weather Davina advised us to postpone this week. We have rebooked individual pictures for **Tuesday 21st May**.

Ladybirds are now enjoying the woods for 4 weeks. We are not quite into warm weather yet so please wrap your child up warmly. There is no need to supply a snack as we will have a treat in the woods.

Ladybirds have a lot to look forward to as they learn about keeping safe in the woods, explore, play games, build dens, look for mini beasts and enjoy toasting marshmallows on an open fire.

### **HAZARDOUS PARKING**

Please can we all be extra vigilant where we are parking. On numerous occasions cars are left on yellow lines causing danger for passers by. Please be aware that on Fridays it is bin day and driving in takes longer.

The chicks are growing up so fast! Denise is the larger of the two. Lucy is the leader of the two though and definitely rules the roost. Both love going for walks around the garden investigating everything.

The chicks will be going to Diane Frainer's house to settle into the coop with the rest of the York Road Chick Alumni where they will live a wonderful life being cared for by Diane and her family.

Here are a couple pictures of their adventures last weekend. It's amazing to see how much they have changed!
