6th June 2024

Sign of the week

Rabbit

The majority of our children will be leaving York Road to go to school in September. We would like to inform you that reception teachers from local schools will be visiting over the next few weeks. This helps with the smooth transition from Nursery to school. Some schools will also have different dates for your child to visit. We are aware this will happen. We are asking that we are informed and if your child attends 15 hours, Rainbows or Yorkies you can bring them in or pick them up as required.

If you appealed for a different school to the one you got and succeeded, please let us know. Teachers from local schools will be visiting next week and we do not want any uncertainty. It can be confusing for the child. If you have not heard yet if the appeal has been successful let us know, so we do not introduce your child to the teacher from the local school until we have clarification from you. Please email any clarification regarding appeals to permjinderliddler@yorkroad.herts.sch.uk

Diary Dates

Tues 11th June	Group Pics
Tues 2nd July	Sports Day
Tues 9th July	Bee comp judging day

The last half term of this academic year is now here, and it is going to be a very busy one. The children have four forest school sessions to enjoy, a bee competition to take part in and the end of term picnic which parents are also invited to attend. Reminder: Please ensure your child has a hat and sun cream applied on sunny days.

TEDDY BEAR SURGERY

We shall have doctor Liza coming in on Friday 14th June. We will have a toy from each group needing medical attention.

We are pleased to let you know that as a result of the 'smartie tube fill' you supported us with back in September we are very pleased to announce that in every classroom we now have whiteboards. The children are all being taught how to use them. We are also having fun sharing the Tapestry photos on the larger screens with the children and even teaching the children how to sign themselves in on our electric registers.. We would like to say a big Thank you for getting the initial funds started for this good project. As you can see from the photo they look very smart and are child height.

Please remember to bring a cardigan, hoody or sweatshirt to school with your child/ren to have on their peg. Although the weather is better it can still be a bit chilly in the mornings.

Ebony's little puppies will be visiting us next Wednesday. We are all very excited to see them.

York Road Group Photo Day

We have invited Davina back to take group class pictures on **Tuesday 11th June**. This also includes Preschool.

These pictures will be displayed outside classrooms for you to see. If you do not want your child's photograph displayed please let us know. If you do not want your child in the picture please let us know.

Please email permjinder.lidder@yorkroad.herts.sch.uk

Sadly we have to cancel the World Celebration Evening due to unforeseen circumstances. However, we shall be celebrating world celebrations at Nursery, week beginning Monday 24th June. Details to follow

As part of that week we are inviting parents in to read a book to children in their child's class. See below;

As part of our Communication and Language and Literacy curriculum we recognize the importance of every child seeing their adults read books and also the enjoyment children get from sharing books. So, this week we are asking that as many parents as possible come in and share a story with their child's class. There will be a sign up sheet in every classroom. The sign up sheet is set out for the week beginning Monday 24th June, so check your diaries and see when you can squeeze in 15 -20 minutes to share a story with your child's class. It can be in English or any language you may wish to use. If you need books to share, please ask your teacher and they will help you find one suitable.
