13th June 2024

Sign of the week

what

Foxes have just finished their visits to the woods and had some lovely learning experiences. Squirrels will be visiting the woods next for 4 weeks. The first session will be next Wednesday 19th June, then 26th, Wednesday 3rd July and the last one will be Wednesday 10th July. Please dress your child in appropriate clothing. On this day you do not need to send in a snack your child will be provided with a snack and hot chocolate at the woods.

SUMMER FESTIVAL

Saturday 20th July
Details to follow

Diary Dates

Tues 2nd July	Sports Day
Tues 9th July	Judging Bee comp
Thurs 11th July	School Transition day

The Pre-Schoolers enjoyed another fun filled Forest School session this week. With lots of climbing, balancing, jumping and very excitingly potion making. Which involved water, sticks, dirt, and leaves! We can't wait until our next session. Our older children, who will be transitioning to nursery in September, have been enjoying having the opportunity to independently explore the nursery garden in readiness for this.

Ebony's puppies came to meet us yesterday. The children enjoyed lots of cuddles.

Tapestry closes this academic year on Monday 1st July. After this date there will be a break sending photos and videos to you.

Tapestry will resume in September for the returning children.
