## SPORTS DAY

AT YORK ROAD 2nd July

### Sign of the week

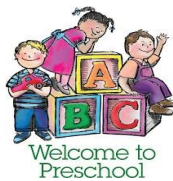

Waiting

We have our annual Sports Day 'weather permitting'. This is a very simplified young children's version and the children will have a fun filled morning. (Preschool will join in next year when they move up) We have learned over trial and error that it is easier for the children to not have parents and carer's present, children get very overwhelmed by all the adults. Photographs of the day will be on our weekly newsletter

### Diary Dates

Mon 1st July	Tapestry ends
Tues 2nd July	Sports Day
Tues 9th July	Bee comp judging day

The Pre-Schoolers have started their bee project this week and really enjoyed working together on this. They did great sharing of the resources on offer. We enjoyed visiting the nursery mud kitchen finding bugs and using magnifying glasses and filling up the bird feeders.

### Summer Festival - Saturday 20th July

Request from 'Friends of York Road'

Please try your best to sign up to help with our Festival. An 'A'frame with a sign up sheet will be placed outside near the side gate from next week.

The Friends of York Road fundraising group are a small but very effective group of our parents that cannot put on this amazing event without YOUR help!

- Please contribute to the cash pot if you can, every little helps.
- Please could we also request items for a tombola, this can be anything in good condition, toys, bottles and gift sets.
- We are also looking for raffle prizes.
- Lastly we need lots of sticks for wand making, so any sticks you find please pass our way.

On Tuesday 9th July we have the judging day of our annual Bee competition. As you know, Bees are an essential part of

our world and without them we would not continue to thrive as a planet or as human beings. We teach the children just how very important they are, what they need to survive and how we can care for them. The groups are busy working on producing something to share to show just how much they care about and understand about our beautiful bees.

"Diane Frainer will be holding our first Eco Group' on Thursday 27<sup>th</sup> June to talk to a group of our children about how we can do small but wonderful things to help planet Earth, talk about what we can do as a school, in our family, and as individuals. We will then share this with everyone and make an action plan."

Dear All

Tapestry have introduced the option for parents to buy a professionally printed copy of their child's Learning Journal.

It has therefore been decided that we will not be offering the York Road logo USB with the journal on. Parents will still be able to download the journal and media file for free themselves if they do not wish to buy the printed version.

The journal and media file will be available for parents to download before the end of term, they will receive notification from Tapestry when these are ready.

Printed journals are ordered by parents directly through GroupHugs with no involvement from nursery.

Info attached

### Handyman or lady

We have a few broken wooden items that need fixing. If anyone would like to have a try at fixing these that would be great.

Please let us know, it would be much appreciated.
